

Riddlesworth Dog Park Terms & Conditions

We at Riddlesworth Dog Park would like all our visitors to be safe and enjoy the use of our fields.

Please observe the following terms and conditions to ensure yours and your dog's safety:

- Please remember that any of the dogs who use our field may be nervous or reactive and require space, both from other dogs and from people, in order to enjoy their freedom. So, be courteous and keep your dog in your vehicle until anyone using the field prior to you, is safely in their vehicle. Stay far enough away as to not cause upset to the dog currently using the field. Do not crowd the gate or field boundary if you are waiting for your turn to use the field.
- Please do not approach any dog without prior consent of its owner – and especially don't approach another dog with your own dog.
- All dogs must be kept on a lead until safely secured in the field or safely secured in your vehicle. Dogs must not be allowed to run free in the parking area or outside of the field gate.
- Please be courteous of other users of our parking area and do not block in any other vehicles, at any time.
- We kindly request that you close the gate properly, to secure your dog in the field, and when vacating the field at the end of your booked time slot.
- All dogs and people who enter the field, do so at their own risk.
- Dogs should be supervised by their owner/handler at all times.

- Field usage is completely reliant on a 'Scoop your own Poop' policy at all times. Poo bags and bins for disposal are provided for your use.

- Please take away all litter and cigarette ends.
- If you see a breach in our fencing, or your dog/children causes a breach, in the interest of safety, please report this to us immediately.
- If applicable, any damage to any of our fencing or equipment will be payable by you.
- We also request that you respect neighbouring houses and livestock in close proximity and that you maintain control of your dog at all times. Please keep noise to a minimum.
- Should your dog escape from the field, any damage caused to property or other animals is completely your responsibility and is payable by you.
- Whilst our field is secure, we cannot 100% guarantee that it isn't possible for a dog to escape. The boundary fence is 1.8 metres in height. We will not be held responsible if your dog(s) breach these boundaries. It is your responsibility to gauge your dogs ability of escaping from any of the field boundaries including the gate.
- Water bowls are left for your dogs use. If bowls require filling and you are unable to do so, please ask us rather than let your dog go without water!
- You are required to adhere to your pre booked time slot at all times. If you arrive late, unfortunately, you will still need to vacate the field at your booking end time.
- All field use is pre-booked only. Please do not turn up unannounced, you WILL be turned away!
- Cancellations of less than 24 hours & 'no shows' will be charged the full booking price.
